PROFILE

With over 7 years of experience in ESL education, curriculum development, and educational technology, I have driven a 40% improvement in departmental productivity through CPD training. In addition, I have optimized after-school activity schedules, resulting in a 25% increase in student participation in STEM and ESL activities.

WORK EXPERIENCE

09/2023 – present
Dubai, United Arab Emirates

ESL Specialist & Teacher Trainer/Educational Technology Developer Tutor Mr. Ben

- **Develop and Implement ESL Curriculum:** Designed comprehensive English as a Second Language (ESL) curriculum tailored to diverse learning needs, ensuring alignment with educational standards and best practices.
- **Resource Creation:** Developed a wide range of educational materials, including lesson plans, study guides, and multimedia resources, to support both teachers and students in ESL learning.
- **Educational Technology Integration:** Advised on the selection and implementation of educational technology tools to enhance learning outcomes, providing technical support and training to ensure effective use.
- **Collaborative Platform Management:** Managed and maintained an online collaborative platform for teachers to share resources, exchange ideas, and collaborate on lesson planning and professional development.

09/2024 – 12/2024
Dubai, United Arab Emirates

Student Success Centre Coordinator / Associate Lecturer Curtin University Dubai

- **Develop solutions to consolidate data from multiple sources into a unified database,** including workshop attendance, appointment bookings, office visit logs, academic mentor trackers, and student directories. This system improves accessibility and tracking of student progress.
- **Lecturer for Critical Thinking, Academic Reading and Writing Skills (Foundation School)** that administered English diagnostic tests, assisting in the identification of students' needs and areas for improvement.
- **Pioneering student support service flow through the use of compliant e-management and e-learning platforms.**
- **Conducted a pilot study to refine diagnostic test questions and improve student support in identified areas of difficulty, contributing to enhanced learning outcomes.**
- **Designed an index page to track students' diagnostic results, juxtaposed with learning outcomes, workshop participation, and mentoring progress, providing a holistic view of each student's academic development.**
- **Conducted a series of impactful lectures and workshops within the Foundation Department, successfully teaching Critical Thinking and Academic Writing Skills.** These sessions have contributed to enhancing students' analytical abilities and writing proficiency, laying a strong foundation for their academic journey.

06/2024 – 08/2024
Dubai, United Arab Emirates

Adjunct Faculty - English Language School Middlesex University Dubai

- **Developed and delivered a 6-week intensive English language course for foundation students, focusing on grammar, vocabulary, and conversational skills to prepare them for academic success.**
- **Assessed and graded over 100 student assignments, quizzes, and oral presentations, providing constructive feedback to enhance their language proficiency and**

WORK EXPERIENCE

confidence.
